CONVENTION UPDATE! **REGISTER BY 6/15/2016**

I have some updates. First of all, we are planning an outing day with some special surprises. That means we will be traveling to the Chicago Loop on the train so we can all go together. After doing some of the research, we have a pretty good idea of convention costs for this year. Considering what we usually pay, we have managed to get a great hotel, super food for the meet and greet Wed. evening, and a wonderful facility to host us all, and kept the cost for us to only \$195.00 per tech! Below is a preliminary schedule of events. **Please register by JUNE 15, 2016 to save your spot!**
